Description:

EMBLEM SOFLA2 is an outdoor textile for high quality prints results.

Due to the airy fabric it is an excellent media for the production of flags by using solvent based inks.

Because of a better handling SOFLA2 has been laminated on a release paper.

It is necessary to wait 24 hours after printing before putting the flag outside to make sure that the ink is dry and the print became water proofed.

After printing it is not required to remove excessive ink by washing.

To avoid fingerprints it is advisable to wear cotton gloves.
